# TEAM SNIPERS MOTO3

Team Snipers is an Italian team with a long history, founded in 1964 by Giancarlo Cecchini. Nowadays the team is managed by his son, Mirko. Great champions have passed through his hands and won 8 world titles: the last in 2004 with MotoGP legend Andrea Dovizioso.

With over half a century of passion for the motorsport, the Italian Moto3 team is a stable team in the MotoGP series. Their enthusiasm and commitment creates a warm, family-like atmosphere within the team. This season, the team consists of two young talents Matteo Bertelle and David Almansa.

Global-Tickets is proud to support Team Snipers as an official sponsor, sharing the excitement and thrill of the race on the international stage.
